Global Project Funding Initiative[©] (GPFI[©]) is a unique, risk-free, small-capital Private Placement Program, designed to help you fund and own your projects debt-free while maintaining 100% equity ownership.

Mission:

GPFI[©] is dedicated to uplifting humanity from poverty, promoting economic development, growth, and sustainability, and ensuring equity in project ownership without debt for its approved projects.

KEY FEATURES

- 1. Debt-Free Funding:** Own your projects without incurring any debt.
- 2. Full Equity Ownership:** Retain complete control over your projects.
- 3. Compliance:** Fully compliant with Federal Reserve Rules on monetary control.
- 4. Minimum Investment:** Minimum capital investment of \$10 million. Acceptable mediums of investment are cash and convertible crypto.
- 5. Guaranteed Funding:** GPFI© guarantees the necessary funds for project completion.
- 6. Underwritten by Gold Bullion:** Investments and project funding are secured by gold bullion owned by Starlight Consortium Ltd, held at UBS, Zurich.

BACKGROUND

Unique Program:

GPFI© is a distinctive small-capital Private Placement Program.

Historical Roots:

Private Placement Platforms have been operational since 1946, aimed at creating wealth and societal benefits.

Accessibility:

Overcomes the traditional barrier of needing \$/€100 million for project investment, making it accessible to small-capital investors.

Regulatory Control:

Managed by the 5th Level of the Federal Reserve System, ensuring a streamlined process for capital development.

Value Creation:

Project completion discharges all obligations against the Project Owner through the creation of value.

PROCEDURE FOR PARTICIPATION
